

Accessing AASHTO Online

For first time users of the AASHTO link, please use the following 5 steps.

Step 1. Go to the CDOT internal website and click on the Organizations button.

Step 2. In the Organizations, under the Materials & Geotechnical Section, click on the new AASHTO link.

Step 3. Upon entering the IHS site, select either *Returning Registered User* or *New User or Never Registered*. If applicable click on the blue font Not Registered/New User to start the login ID process.

Step 4. Type in your first name,
last name,
email address (firstname.lastname@dot.state.co.us).
Then click on **“Use Email as Username.”**
Then type in codot as the password.
re-enter codot on the Re-Enter Password line.
Hit the submit button once these 6 lines have been completed.

Step 5. To Access the AASHTO Specifications and Standards, click on the IHS Standard Expert line.

The screenshot displays the IHS website homepage. At the top, there is a navigation bar with links: [Home](#) | [Subscriber Login](#) | [How To Subscribe](#) | [Standard Store](#). Below this is the IHS logo and the tagline "The Source for Critical Information and Insight™".

The "Main Menu" section includes a welcome message: "Welcome, **anthony** [User ID: 1287565]". It provides links for "Login as a different user", "Update your profile", and "Subscriber Logout". To the right, account details are listed: "Account: Colorado Department of Transportation", "Account ID: 5927061001", "Session: 495998440", and "Host IP: 67.229.17.34".

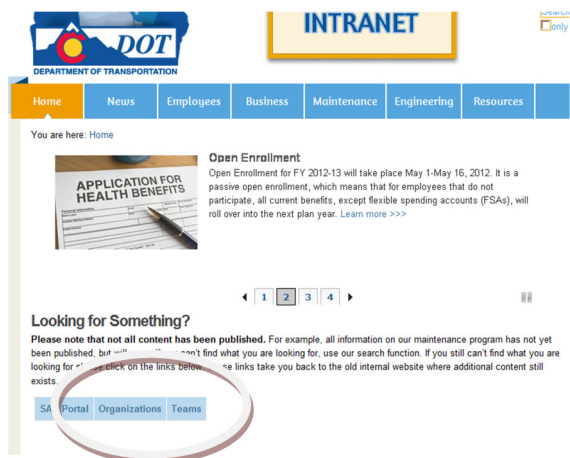

Under "Select a product from your current subscription:", the link "[IHS Standards Expert](#)" is highlighted with a red arrow. Below this link is a disclaimer box stating: "The IHS Web site, the database services, and other information provided through this Web site are made available to users subject to the Subscriber's compliance without modification of the IHS Internet Terms and Conditions and notices contained herein. By accessing or using this site or the IHS database services, the Subscriber agrees to be bound by the IHS Internet Terms and Conditions and notices."

The "Other Applications and Products" section lists various services: ASME BPVC Advantage, CyberRegs TM, ESE Product Compliance, ASTM Digital Library, SAE Digital Library, SAE Knowledge Centers, Parts Universe, Parts Universe with Fasteners, 4DOnline Comet, PUMA, BOM Optimizer, 4DOnline BOM Manager, TACTRAC COMET, TACTRAC Lock-Up, IHS MRO eCatalog, CatalogXpress, CatalogXpress Lite, Fasteners eCatalog, HAYSTACK GOLD, M-Series Handbooks, AV-DATA, ESDU, Reference Linking Maintenance Tool, and Support and Downloads.

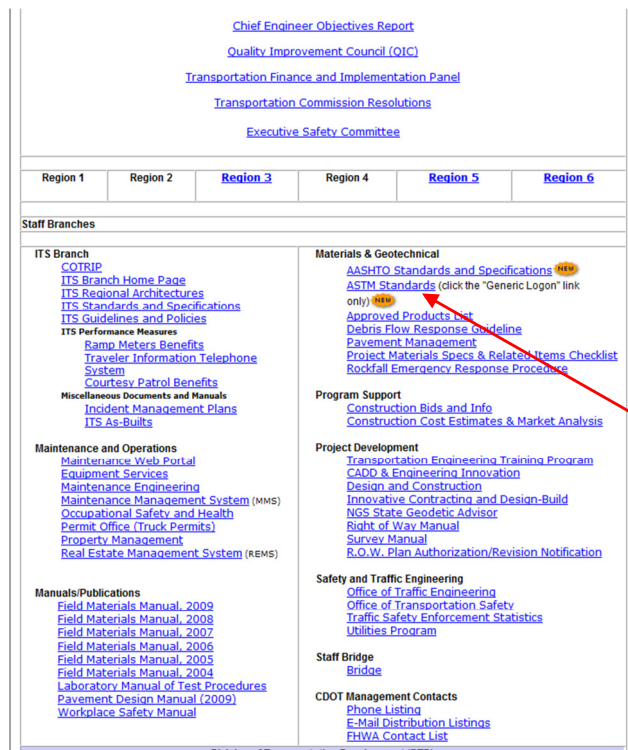

Accessing ASTM Online

To access the ASTM link, please use the following 4 steps.

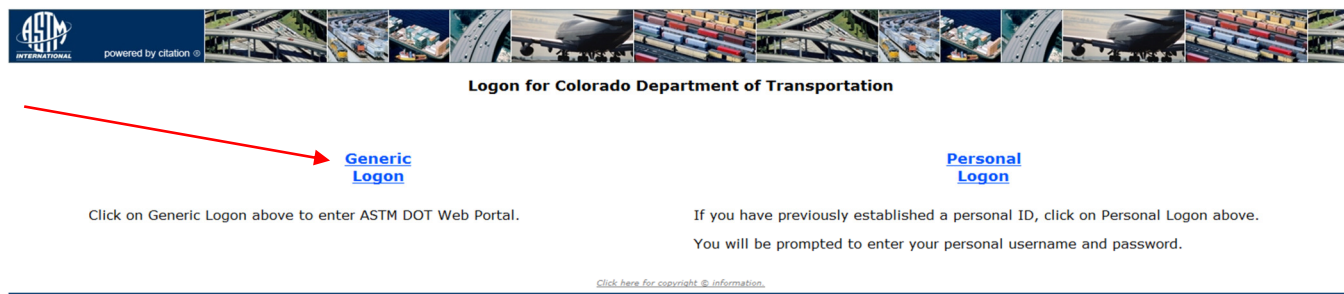

Step 1. Go to the CDOT internal website and click on the Organizations button.

Step 2. In the Organizations, under the Materials & Geotechnical Section, click on the new ASTM link.

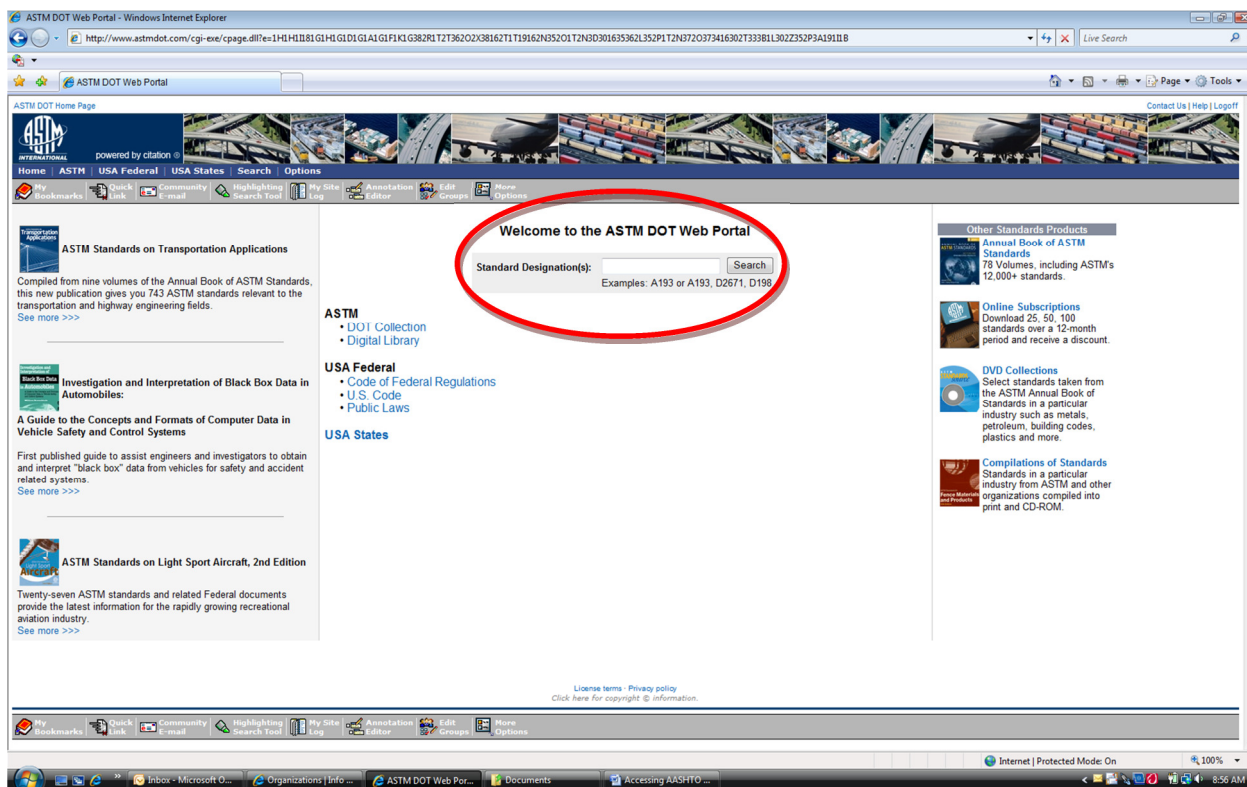

Step 3. Once at the ASTM site, click on the Generic Logon.

For those needing enhanced capabilities within the ASTM portal, Please contact Jay Goldbaum @ (303) 398-6561 to access the Personal Logon functionality.

Step 4. Once in the portal, type in the ASTM you are searching for.
